

Employer Fined \$20,050 for Worker's 27' Fall

A worker was seriously injured as the result of 27' fall while dismantling a scaffolding system at a construction site. The employer pleaded guilty to letting a worker exercise duties in close proximity to a fall hazard without a fall arrest system. The court fined it \$20,050 [*GKW Construction Inc.*, Govt. News Release, Sept. 11, 2014].
