About This Webinar

Navigate the New Immigration Landscape with Confidence

The recent shifts in U.S. immigration policy under the current administration have introduced significant changes affecting employers nationwide. As HR professionals, staying informed and adaptable is crucial to ensure compliance and support your workforce effectively.

Join Our Expert-Led Q&A Panel!

- **Policy Changes:** Understand the recent executive orders and legislative updates impacting employment-based immigration.

- **Compliance Strategies:** Learn best practices to navigate increased enforcement and ensure your organization remains compliant.
- **Employee Support:** Discover effective ways to assist your employees during this transition, addressing concerns related to visa status and job security.

About the Speaker

Jonathan Grode

Jonathan Grode is a leading U.S. immigration lawyer and the U.S. Practice Director at Green and Spiegel. With extensive experience in employment-based immigration, compliance, and corporate immigration strategies, Jonathan advises HR professionals and businesses on navigating complex immigration policies. He is a frequent speaker and thought leader on U.S. immigration law, helping organizations stay compliant amid evolving regulations.

Evan J. Green

Senior Partner, Green and Spiegel

Evan J. Green is a Senior Partner at Green and Spiegel and a recognized expert in immigration law. With decades of experience, Evan specializes in business immigration, workforce mobility, and regulatory compliance. His in-depth knowledge helps employers and HR professionals manage immigration challenges, from hiring foreign talent to maintaining compliance with shifting policies.
