

Incident Reporting – 2023 Year in Review

ALBERTA

LAWS & ANNOUNCEMENTS

Feb 16: Accessibility Standards Canada and the CSA Group published 3 new accessibility standards that they collaborated to create:

- CSA/ASC B651, [Accessible design for the built environment](#)
- CSA/ASC B651.2, [Accessible design for self-service interactive devices including automated banking machines](#)
- CSA/ASC B652, [Accessible dwellings](#).

Action Point: Find out more about [accessibility laws across Canada](#)

Aug 29: The federal government will provide nearly \$73 million in Opportunities Fund for Persons with Disabilities (OF) funding to support 31 projects launched by organizations across Canada this year. This is in addition to the \$118 million to support 60 projects that the government announced last June.

ONTARIO

LAWS & ANNOUNCEMENTS

Aug 26: A [newly proposed regulation](#) would add an item to the list of safety incidents that employers must report to the MOL under (Section 53 of) the *OHS Act*: failure to control a crane or load, including any rigging failure, except where permitted under (Section 162 of) the *Construction Projects* regulation.

Action Point: Use the resources on the OHSI Incident Reporting [Compliance Centre](#) to ensure proper incident investigation and reporting at your workplace.

SASKATCHEWAN

LAWS & ANNOUNCEMENTS

Apr 12: Be sure to use the newly revised version of the Employer's Initial Report of Injury (E1) form to report work injuries and submit workers comp claims to the Saskatchewan WCB.
