

# Legalized Cannabis

**Date:** November 28, 2018

**Speaker:** Norm Keith

Cannabis (Marijuana) Legalization has officially happened – but that doesn't mean it's time to let this issue slide. Now, more than ever, employers will need to stay on top of legislation, case law and compliance. In this webinar, Norm Keith will give an overview of what you need to know post-legalization, what to expect in the coming months and how to remain compliant. It's going to be a while before we see the full effects of legalization on the workplace – make sure you're staying in-the-know.
