Recorded Date: July 16, 2025

Time: 9:00 AM – 10:00 AM (PST)

Speakers: Glenn Demby, Editor-in-Chief

About This Webinar

From new regulations to major court rulings, 2025 is already proving to be a pivotal year for workplace safety law in Canada.

Join **OHS Insider Editor-in-Chief Glenn Demby** for a mid-year legal briefing designed to keep safety professionals informed, compliant, and ready for what's ahead. In this focused 60-minute session, Glenn will walk you through the most important legislative changes, tribunal decisions, and enforcement actions shaping occupational health and safety right now.

You'll learn:

- What new laws and updates are already in effect—and what's coming
- Key rulings impacting employer liability, due diligence, and worker protections
- How enforcement priorities are shifting in 2025 (and what regulators are watching)
- Practical takeaways to update your safety policies, training, and compliance plans
- This session is a must for safety managers, directors, and compliance leads looking to stay ahead of legal risks and maintain a culture of safety and accountability.

Register now to stay compliant and confident in 2025.

What's Included

1. **Expert Insights:** Join OHS Insider Editor-in-Chief Glenn Demby for a timely legal update on the evolving occupational health and safety landscape in Canada.
2. **Understanding Regulatory Changes:** Get a clear overview of new laws already in effect in 2025—and what's on the horizon for the rest of the year.
3. **Identifying Risk Areas:** Learn how recent tribunal decisions and court rulings are reshaping employer obligations, due diligence expectations, and worker rights.
4. **Implementing Safe Practices:** Discover what enforcement bodies are prioritizing right now and how to proactively adjust your safety plans and procedures.
5. **Avoiding Legal Pitfalls:** Understand what regulators are watching in 2025 and how to avoid compliance missteps that could lead to penalties or litigation.
6. **Live Q&A Opportunity:** Bring your compliance questions—Glenn will take them live and provide actionable advice on how to adapt your safety strategy.
7. **Supporting Resources:** Receive curated resources and legal summaries to help you update your safety documentation, training, and workplace protocols.

Who Needs To Be There?

1. Health & Safety Managers
2. OHS Directors & Coordinators
3. Compliance Officers
4. Legal & Risk Management Professionals
5. Operations Leaders
6. HR Professionals Involved in Safety & Training
7. Business Owners & Executives

8. Anyone responsible for workplace safety policy or legal compliance
