

Multiple Employers, Supervisors and Workers Charged with Safety Offences

A worker was injured while working at the Canadian High Arctic Research Station site at Cambridge Bay in Aug. 2015. As a result, the WSCC charged several employers, supervisors and workers with violating the Nunavut *Safety Act* by, among other things, failing to ensure adequate instruction to workers in the safe performance of their duties [*EllisDon Corp.*, *Kitnuna Projects Inc.*, *Best Choice Construction (RB) Ltd.*, *EXP Services Inc.*, *Dan Cress*, *Abraham Leonard Houwelling*, *Justin McDonnell* and *Rod Osmond*, Govt. News Release, Sept. 9, 2016].
