Naloxone Distribution & Use Log

Tracking information about distribution and use of naloxone is crucial to ensuring a continual fresh supply of the drug and monitoring the effectiveness of your program. Here's a template log you can adapt to track this data.

Workplace Naloxone Distribution & Use Log

Instructions: To be completed by the workplace Naloxone Response Coordinator.

Number & Types of Kits Prescribed	Date Prescription Written	Date Naloxone Received	Date Naloxone Used	Where Naloxone Used	Staffer who Administered Naloxone
