OHS Changes

Oct 15: From now through mid-November, WorkSafeBC is holding hearings on proposed changes to 4 parts of the OHS Regulations:

WorkSafeBC OHS Regulatory Changes Under Public Review in Oct.-Nov.

Part of OHS Regulation	Expected Change(s)/Scope of Review
Part 8, PPE + Protective Equipment	Incorporate latest edition of CSA standard on high-visibility apparel under Sec. 8.24
Part 16 Mobile Equipment	Full review of Part 16
Part 20, Construction, Excavation + Demolition	Enhance requirements for inspecting concrete pumps + placing booms under Sec. 20.47
Part 21, Blasting Operations	Update blasting requirements to address changes to equipment and associated safe work practice + ensure consistency with federal blasting requirements (multiple sections)
