

Ontario 2015-16 Safety Inspection Blitz Schedule & Compliance Resources

Ontario's Ministry of Labour (MOL) recently released its 2015-16 proactive enforcement blitz and initiative schedules for the OHS Program and Employment Standards Program. The MOL will be conducting:

- 'Provincial Blitzes,' which are province-wide, sector-specific enforcement initiatives; and
- Regional 'Initiatives,' which are smaller-scale enforcement initiatives.

Here's the health and safety provincial inspection blitz schedule as well as links to OHS Insider resources, including tools, to help make sure your workplace can pass inspection.

And even if your workplace isn't in Ontario, your jurisdiction's OHS enforcement agency may target similar hazards. So these resources can assist you in improving your OHS program as to these hazards, too.
