

Take a Survey on Best Practices for Workplace Safety Training

SafetySmart and the Work Safety Institute are conducting a survey to identify and determine the best practices for workplace safety training in North America across multiple industries.

This survey should take about 10 minutes to complete.

For questions or further information, please contact Wayne E Cooper, Director of Research at the Work Safety Institute at info@worksafetyinstitute.org.

Who Should Complete the Survey'

Anyone with experience in managing workplace safety compliance and/or training is encouraged to take this survey.

Benefits of Taking the Survey
