

Tornado Preparedness Checklist

BENEFITS

Many workplace are vulnerable to natural disasters, such as tornados, floods and hurricanes. A tornado is arguably one of the most destructive types of storms because it may develop almost without warning, appear within minutes and leave little time to react. As a result, it's especially important to be prepared in advance for tornados in your workplace.

HOW TO USE THE TOOL

Use this checklist to ensure that your workplace and all staff are adequately prepared should a tornado (or any other natural disaster) strike the area.
